ROCK OUR FUTURE COMPETITION 2022

Overview

Win money for your school with this exciting project for Years 5-8, as well as \$100 Prezzy Cards for the individual winning students. Link it to your Technology, Art and Science learning.

Individual students are to design a poster (up to A3 size) promoting a local quarry.

Task / Curriculum

Students are encouraged to visit a local quarry and design a poster of an activity at the quarry, why the quarry is needed, and the benefits the quarry provides to the community.

Design Criteria

Posters can be up to an A3 in size and they need to include the following:

- An activity at the quarry
- Why the quarry is needed
- Benefits to the community

Competition details

- Posters need to be submitted to us by the end of **Term Two, Friday 8 July 2022**. Please complete the attached Entry Form for your school and return it to the AQA email address on the form. Finalists will be contacted about judging.
- Judging will take place in July/August with winners announced in September 2022.
- Prizes: 4 x prizes of \$1,000 for each student's winning school (1 winner per year)
4 x prizes of \$100 Prezzy Cards for each of the winning students (1 winner per year)

Teachers, parents and students are encouraged to approach local quarries for a visit to attain information for their posters. If you would like assistance in organising a quarry visit in your area, please contact office@aqa.org.nz, or phone 021 074 5164.
