Does your company have an initiative that protects the environment or supports a community?

- Whether it's a big or small project, you should consider entering the MIMICO 2023 Environment & Community Award
- If you are doing your bit for the environment – let us know
- It's easy to do – just complete the one-page entry form and get the General Manager or CEO to sign it off
- All finalists will receive publicity including written material, promotion at the QuarryNZ 2023 conference in Christchurch, as well as feature on the AQA website.

It's as simple
as that

Aim and scope

The award recognises the contributions made by member companies and their staff in caring for the environment and/or community.

The scope includes any action, process, activity or project that has a positive effect on the environment and/ or a community. It may be large or small, a one-off, an ongoing formal project or someone's idea that has been put into practice.

Conditions of entry

This award may be entered by any AQA financial member company or their employee. It must be endorsed by the General Manager or CEO of the company.

Entering indicates agreement for the AQA to manage the publicity of the award, and cooperation from the resulting winner is required. This will include written and photo material about the award recipients.

The winner will be announced at the QuarryNZ 2023 conference in Christchurch on Friday 7th July 2023.

Judging criteria

The judge will contact finalists to judge:

- The degree of positive environmental and/ or community impact
- A contribution to reduced energy usage and/ or carbon emissions reduction
- Originality and innovation
- The level of difficulty involved
- Other aspects that are considered relevant
